Message from the Principal

Aged Care - The students showed poise in performing for the citizens of Aged Care on Monday. They were particularly brave to go it alone without the support of Alanna (who was sick on the day). Tara and Harman were excellent role models leading their peers throughout the performance.

Intensive Swimming - Thank you to the parent drivers for helping the students get in and out of the pool every day. Day 3 and already the students can be proud of their achievement in their water confidence and swimming skills. Students may purchase lunch or treats from the pool on Friday.

Trip to the Waste water treatment plant

On Friday after swimming the students will be taking an excursion to the sewerage farm and waste water treatment plant as part of their understandings on the built environment and changes in lifestyle over time. All students must have covered shoes (e.g. sports shoes or school shoes).

Musica viva – The World According to James at the Risk

The students will be attending a performance at The Risk hall on Thursday the 3rd. The World According to James is a hit with students of all ages and levels of ability wishing to learn more about jazz, brass playing, improvisation, ensemble playing and music making in general. The school can cover the driving on that day, but if parents wish to volunteer please let Tania know. Cost is $7.00

Variety Night

All parents, carers and community members are welcome to join the students in a celebration of their learning in the creative arts at the end of year variety night on Friday 4th December. Parents are to bring a savoury plate for a shared meal.

Playgroup

Last day for Playgroup is 9th December 2015.

Lake Ainsworth Camp for Year 5-6 2016

As part of COLOURSS activities Year 5-6 attend Lake Ainsworth Camp every even year. This is a great camp where students get to strengthen their relationships with peers from other COLOURSS schools and have a fabulous time doing a range of activities. For example abseiling, sailing, bike riding, rope challenges & archery to name a few. In 2016 the camp will be held on the 14-03-2016. This will be in Term 1. The cost for this camp is approximately $356 per child. If parents wish their child to go to this camp parents may start paying the cost off weekly. The cost covers all activities, food and accommodation for 5 days. Students arrive on the Monday and return home on the Friday afternoon. Students sleep in shared girl or boy dormitories & the centre caters for every dietary need. Throughout the day students are under the supervision of the Sport and Recreation Teachers and the night-times are supervised by COLOURSS staff members. I will be attending the camp for part of the time.
