Welcome back to Term 2. This term the students will be busy getting art ready for the COLOURSS art exhibition and will be studying light in science. Mrs Muller has sent home new homework books for each student as well. The school encourages students to read every night at home, as the more practice they have, the better users of language they become. For homework reading this week Ms Carter would like the students in Yr3-4 to read the Anzac article in the NIE insert that is in today’s Northern Star. Copies have been put into each student’s bag.

**Cross Country Friday 24th April at The Risk**

Parents are responsible for getting their own students to and from The Risk School for cross country. Please contact the school if getting your child to The Risk School is a problem. The day starts at 9.50 and Kindergarten students will be finished at approximately 12.00, with the day finishing around 2.30 for the older students. 5-7 years old run 600metres and 8-10year olds run 2000metres. The Risk’s P&C will be hosting a canteen with barbeque, pies, drinks and cakes for sale on the day. Students must have appropriate running shoes, hat, food for the day or money and a water bottle.

**ANZAC DAY-100 year’s celebration this Saturday 25th April**

Students are to meet MS Carter at the Kyogle swimming pool at 10.15 for the march in their school uniforms. The school will march as part of COLOURSS with other small schools. Students then march through the main street to the hall for the service. Marches will then return to the cenotaph for the wreath laying ceremony at 11.15.

**Values Program**

Over the next few weeks the students will be looking at ‘determination’ as a virtue and what this means and what it looks like and how we can enact it. Parents can support the school by discussing their understandings of determination and how having this virtue personal can help us achieve many things.
